**GREEN
EDITION**®

At Dover Publications we're committed to producing books in an earth-friendly manner and to helping our customers make greener choices.

Manufacturing books in the United States ensures compliance with strict environmental laws and eliminates the need for international freight shipping, a major contributor to global air pollution. And printing on recycled paper helps minimize our consumption of trees, water and fossil fuels.

The text of this book was printed on paper made with 50% post-consumer waste and the cover was printed on paper made with 10% post-consumer waste. At Dover, we use Environmental Defense's Paper Calculator to measure the benefits of these choices, including: the number of trees saved, gallons of water conserved, as well as air emissions and solid waste eliminated.

Courier Corporation, the manufacturer of this book, owns the Green Edition Trademark.

Please visit the product page for *Alice in Wonderland Activity Book* at www.doverpublications.com to see a detailed account of the environmental savings we've achieved over the life of this book.

NOTE

Alice in Wonderland is a tale of fantasy that has been around for close to 150 years! The story is full of strange characters, nonsense, and adventures that can be enjoyed by both children and adults. This activity book features some well-known scenes and characters from this popular classic. There are search-a-words, crosswords, connect-the-dots, and more. If you need help with a puzzle, or if you want to check your answers, the solutions begin on page 39. And after you're through solving all the puzzles, you can color them any way you choose!

**Connect the dots to see one of the characters from
Alice in Wonderland.**

A black and white line drawing of a anthropomorphic rabbit. The rabbit is standing upright, wearing a formal suit consisting of a jacket with buttons and pockets, a striped vest, and a bow tie. It is holding a small glass in its right hand and a plate in its left hand, as if serving a drink. The rabbit has long ears, one of which is slightly drooping, and a friendly expression.

Seven of these Mad Hatters are exactly the same. See if you can spot the one that is different and circle him.

How many words you can make out of the letters in the word below?

Wonderland

Help the gardener get through the maze to
escape the angry Queen.

In the left column are 3 different characters. In the middle and on the right are unfinished pictures of these characters. See if you can complete these pictures to match the finished ones.

The Mad Hatter is having a tea party. See if you can find the 7 items on the next page hidden within the scene and circle them.

The caterpillar gave Alice some important information about the mushrooms. To find out what he told her, use the chart to decode the message below.
